Analysis by the Legislative Reference Bureau

TAXATION

OTHER TAXATION

Under current law, generally, a person may not sell cigarettes in this state as a distributor, jobber, vending machine operator, or multiple retailer without having a permit from DOR. A "jobber" is any person who acquires cigarettes from manufacturers or distributors, stores the cigarettes, and sells the cigarettes to retailers for resale.

Current law also prohibits a direct marketer from selling cigarettes to consumers in this state unless the direct marketer fulfills certain requirements. Current law defines "direct marketing" as publishing or making accessible an offer for the sale of cigarettes to consumers in this state, or selling cigarettes, using any means by which the consumer is not physically present on a premise that sells cigarettes.

Under current law, a direct marketer must certify to DOR: that the person will register with debit and credit card companies; that the invoices for all shipments of cigarettes will bear the direct marketer's name and address; and that the direct marketer will provide DOR any information that DOR considers necessary. The direct marketer may not sell any cigarettes unless the sales tax, use tax, or cigarette tax, as appropriate, has been paid on the sale of the cigarettes.

Current law requires a direct marketer who sells cigarettes to consumers in this state to verify the consumer's name and address and that the consumer is at least 18 years of age. In addition, any person who delivers such cigarettes to consumers in this state must verify that the person who purchased the cigarettes, and who receives the delivery, is at least 18 years of age.

Under this bill, generally, the same provisions under current law that apply to the direct marketing of cigarettes also apply to the direct marketing of tobacco products. In addition, no person may sell cigarettes or tobacco products to consumers in this state unless the person applies to DOR for a permit.

Under current law, a person may not sell cigarettes or tobacco products to consumers in this state unless the person obtains a license from each city, village, or town in which the person intends to sell cigarettes or tobacco products. Under the bill, no city, village, or town may issue a license to any person who has an arrest or conviction record related to selling cigarettes or tobacco products. Under the bill, a direct marketer who holds a valid permit to sell cigarettes or tobacco products to consumers in this state is not required to obtain a license from each city, village, or town in which the cigarettes or tobacco products are sold.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
